Ensure comprehensive safety and privacy for your homes with the Euro Slat screens and fences: Ensure comprehensive privacy and protection of your abode with the maintenance-free and simple-to-install Euro Slat screens and fences. Made from high-tensile T6 6060 temper-grade aluminium extrusions, such one-of-a-kind wooden trellis-style screens are designed to comply with both residential and commercial building regulations. Available with either top-fixed or face-fixed use, such privacy screens and frames aptly contrast or complement the particular layout of the property, and are available with a greater selection of colors. Such low-to-maintain screen fencing system available with pulverized and galvanized finishes also comes with fully concealed fixtures for enhanced aesthetics and protection against oxidation and tampering. So, what are you waiting for? Secure your abode today by exploring our products at www.provista.co.nz
